Kids! Grab your swim goggles, bike, and sneakers for the 3rd annual MOCO MOJO Kids Triathlon presented by Frederick S. Fritz Orthodontics to benefit Make-A-Wish Mid-Atlantic! Children ages 6 to 13 can “try out” a triathlon in a safe, non-competitive environment while learning about the benefits of an active, healthy lifestyle! The course features a pool swim and park path bicycle and run course.

The race is professionally timed, and medals will be awarded to all finishers with awards to the top three in each age group (male and female).

New this year! MOCO Multisport has committed to donating all net proceeds to Make-A-Wish Mid-Atlantic, which grants the wishes of children in Maryland, DC, Northern Virginia and Delaware with life-threatening medical conditions. Kids and their families have the option of helping us meet our fundraising goals- just forward this link to your friends. Every little bit helps!
